PALAMA BOYS  
HOLD RECEPTION  
FOR W. S. BOWEN

Associate to Head Worker Re-  
turns from Mainland with  
New Ideas

Three hundred and fifty boys of Pa-  
lama district assembled yesterday  
evening in the gymnasium of the Set-  
tlement House and took part in the  
reception tendered to W. Spencer  
Bowen, associate head worker of Pa-  
lama Settlement, who returned home  
via the Honolulu yesterday morning  
after an absence of three months.

Mr. Bowen spent the time visiting  
the various boys clubs and Settlement  
houses of the mainland cities and has  
returned home with many new meth-  
ods in regard to boys work which he  
intends to introduce in the work at  
Palama.

Palama Settlement house has better  
boys club accommodations than any  
city on the mainland provides, accord-  
ing to the associate head worker, and  
nowhere he declares did he find such  
a good swimming tank or as large a  
gymnasium as at Palama.

"In Boston," they have a club of fif-  
teen hundred new boys and they have  
no such accommodations as Palama  
provides," said Bowen. "Many of the  
boys clubs have interesting games  
which we know nothing of but I am  
going to introduce them here."

After Spencer Bowen had concluded  
his address to the boys, Scout Com-  
missioner James Wilder put his Boy  
Scouts through their drills and exhibi-  
tion. They showed the same excellent  
discipline that was manifest at the  
performance at Bishop Park Tuesday  
evening and their work was greeted  
with much applause from all sides.

When the Scout drill was concluded,  
Head Worker Rath introduced former  
Governor George Carter to the boys  
and he formally presented the cham-  
pionship cup to the captain of the Pa-  
lama Seniors baseball team winners  
of the championship of the league. At-  
tended Carter had concluded, Mr. Rath  
gave a short talk to the Palama Jun-  
ior league and gave them a straight  
from the shoulder talk about team-  
work and helping each other.

After the more desultory business of  
the reception was concluded, the boys  
demonstrated their appreciation of the  
sandwiches and ice-cream.

Plans are being made now for an-  
other social which is to be held on  
Wednesday July 31.

## CHILDREN INJURED

Ordinary Cathartics and Pills and  
Harsh Physic Cause Distress-  
ing Complaints

You cannot be over-careful in the  
selection of medicine for children.  
Only the very gentlest bowel medicine  
should ever be given, except in emer-  
gency cases. Ordinary pills, cathartics  
and purgatives are apt to do more  
harm than good. They may cause grip-  
ping, nausea and other distressing  
after-effects that are frequently health-  
destroying.

We personally recommend and guar-  
antee Rexall Orderlies as the safest  
and most dependable remedy, which  
we know, for constipation and associ-  
ated bowel disorders. We have such  
absolute faith in the virtues of this  
remedy that we sell it on our guar-  
antee of money back in every instance  
where it fails to give entire satisfac-  
tion, and we urge all in need of such  
medicine to try it at our risk.

Rexall Orderlies are eaten just like  
candy, are particularly prompt and  
agreeable in action, may be taken at  
any time, day or night; do not cause  
diarrhoea, nausea, griping, excessive  
looseness, or other undesirable effects.  
They have a very mild but positive  
action upon the organs with which  
they come in contact, apparently act-  
ing as a regulative tonic upon the re-  
laxed muscular coat of the bowel, thus  
overcoming weakness, and aiding to  
restore the bowels to more vigorous  
and healthy activity.

Rexall Orderlies commonly com-  
pletely relieve constipation, except of  
course when of a surgical character.  
They also tend to overcome the neces-  
sity of constantly taking laxatives to  
keep the bowels in normal condition.  
Three sizes of packages, 10 cents, 25  
cents, and 50 cents. Remember, you  
can obtain Rexall Remedies in Hono-  
lulu only at our store—The Rexall  
Store, Benson, Smith & Co. Ltd., Fort  
and Hotel Sts.

NEW DESIGN FOR THE  
NICKEL IN PREPARATION

WASHINGTON, D. C., July 6.—The  
design of the 5-cent piece which has  
been jingling in the pockets of Amer-  
ican citizens for many years does not  
coincide with the Treasury Depart-  
ment's conception of art and it will  
be changed in its entirety. Secretary  
MacVeagh has decided to replace the  
Goddess of Liberty on the face of the  
nickel with a buffalo. The reverse  
side of the new coin will contain the  
head of an Indian.

J. W. Fraser of New York is making  
the design in collaboration with offi-  
cials of the treasury department. All  
its details will be decided upon at a  
conference between Secretary Mac-  
Veagh and Fraser next week.

## CASTORIA

for Infants and Children.

## The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various pre-  
parations, all of which are narcotic, is well known. Even in the smallest  
doses, if continued, these opiates cause changes in the functions and growth of  
the cells, which are likely to become permanent, causing imbecility, mental  
perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such  
as intractable nervous dyspepsia and lack of staying powers, are a result of dosing  
with opiates or narcotics to keep children quiet in their infancy. The rule among  
physicians is that children should never receive opiates in the smallest doses for  
more than a day at a time, and only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Soothing Syrups and other  
narcotics to children by any but a physician cannot be too strongly decried, as  
the druggist should not be a party to it. Children who are ill need the atten-  
tion of a physician, and it is nothing less than a crime to dose them willfully with na-  
cotics. Castoria contains no narcotics if it bears the signature of Chas. H. Fletcher.

The signature of *Chas. H. Fletcher* guarantees genuine  
Physicians Recommend Castoria.

"Your preparation known as Castoria I have used  
for years in children's complaints and I have found  
nothing better." JOHN J. LAFRA, M. D.,  
Cleveland, Ohio.

"For several years I recommended your 'Castoria'  
and shall always continue to do so, as it has in-  
variably produced beneficial results." EDWIN F. PARDEE, M. D., New York City.

"Your Castoria is a meritorious household  
remedy. It is purely vegetable and acts as a mild  
cathartic. Above all, it does no harm, which is  
more than can be said of the great majority of chil-  
dren's remedies." VICTOR H. COFFMAN, M. D., Omaha, Neb.

"Your Castoria holds the esteem of the medical  
profession in a manner held by no other proprietary  
preparation. It is a sure and reliable medicine for  
infants and children. In fact it is the universal  
household remedy for infantile ailments." J. A. PARKER, M. D., Kansas City, Mo.
